WHAT ARE CASKET WRAPS?

Casket wraps are customizable, high-resolution vinyl coverings applied to the exterior of a casket to create a personalized, artistic, or thematic tribute. Installers use a heat-sensitive adhesive to cover the casket's surface with images like photos, landscapes, sports logos, or patterns, serving as a modern, personalized alternative to traditional finishes.

THE PROCESS

SELECT

Multiple coverage options and customization options are available.

SCHEDULE

Select your preferred day & time window of install.

SIT-BACK

...and relax. The service is completed at your location within hours.
